

Early Action Compact Milestone - June 16, 2003
List of Emission Reduction Strategies Under Consideration

Laurens County

Based on stakeholder consultation and taking into consideration resource and political constraints, the following control measures under consideration can be reasonably implemented. It is anticipated these measures under consideration will assist Laurens County in achieving and/or maintaining the 8-hour ozone standard by 2007.

Measure under Consideration	Description of measure (A more detailed description will be included in the Early Action Plan.)	Estimate of emission reductions (if available)	Proposed date for implementation	Geographic area and/or local government
Air Quality Contact	One person will be identified as the Air Quality Contact. At a minimum, this contact will be responsible for ozone education/outreach and dissemination of ozone forecast.	Not available	March 2003	County wide
Support state-wide efforts	<insert county name> will support the efforts of SC DHEC regarding state-wide emission reduction strategies.	Not available		County wide
<i>Reduce motorized activities</i>	<i>Laurens County will delay or reschedule mowing and motorized construction and maintenance activities on Ozone Action Days where practical.</i>	<i>Not Available</i>	<i>July 2003</i>	<i>County wide</i>
